**SEE OVERLEAF FOR IMPORTANT INFORMATION
REGARDING MEETING ATTENDANCE AND VOTING**

Due to the current restrictions in place as a result of the COVID-19 pandemic, Shareholders are strongly encouraged not to physically attend the Meeting and to either vote via proxy prior to the Meeting or appoint the Chair as their proxy.

IMPORTANT INFORMATION REGARDING MEETING ATTENDANCE AND VOTING

Due to current restrictions in place as a result of the Covid-19 pandemic and, in particular, the Government ban on large public gatherings and social distancing requirements, the Company is unable to allow many to attend the Meeting in person. Shareholders should note that the attendance limits will include the officers of the Company and technical and advisory attendees.

While the Company is able to hold the Meeting physically albeit in strictly limited numbers and is required to invite Shareholders to attend the Meeting in person, the Company strongly encourages Shareholders to instead attend the Meeting virtually via a web-based meeting portal arranged for the Meeting.

The Board also considers that the health, safety and welfare of the Company's staff, its Shareholders and other stakeholders is of paramount importance.

All resolutions at the Meeting will be voted on by poll and Shareholders who are entitled to vote may vote either prior to the Meeting by appointing a proxy or by poll during the Meeting (such poll to be taken both physically at the Meeting and electronically). Further details of the voting methods open to Shareholders are set out in detail below.

Shareholders are strongly encouraged to either vote prior to the Meeting or to appoint the Chair as their proxy.

The Board will continue to monitor the Covid-19 situation closely and details of any alternative arrangements for the Meeting will be issued to Shareholders electronically by no later than 14 days prior to the date of the Meeting.

The Company is aware that, at present, there are significant delays in the Australian postal system due to Covid-19, which may potentially adversely affect both the receipt and return of voting forms by Shareholders. Accordingly, the Board has despatched by email the Notice of General Meeting and Explanatory Statement to all Shareholders who have provided an email address to the Company's share registrar. A copy of the Notice of General Meeting and Explanatory Statement can also be accessed on the ASX company announcements platform at www.asx.com.au.

Shareholders who wish to attend the Meeting virtually must first register their attendance with the Company by no later than 11.00am (AEDT) on 24 November 2020, the day prior to the day of the Meeting, by email to the Company Secretary at ian.hobson@novatti.com, including the Shareholder's name, address and HIN or SRN. The Company will then email the Shareholder the details to participate in the virtual Meeting via zoom (a web-based meeting portal).

Shareholders are encouraged to submit any questions that they may wish to put to the Company during the Meeting in writing by email to the Company Secretary at ian.hobson@novatti.com, by no later than 11.00am (AEST) on 24 November 2020, the day prior to the Meeting. to the Meeting. Shareholders will be able to submit their email poll votes immediately after the Chair calls for a vote on each Resolution and up to a period of one hour after the Meeting ends. This means that the outcome of each Resolution will not be able to be determined until after the conclusion of the Meeting to allow the company secretary sufficient time to count such poll votes submitted by email.

Voting by proxy

Shareholders should note that:

1. a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
2. a proxy need not be a member of the Company; and
3. a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed proxy form provides further details on appointing proxies and lodging proxy forms. To be valid, the proxy form (and any power of attorney under which it is signed) must be completed and returned by the time and in accordance with the instructions set out in the proxy form. Any proxy form received after that time will not be valid for the scheduled Meeting.

Subject to any voting restrictions set out in a voting exclusion statement in respect of the Resolutions, the Chair will vote undirected proxies on, and in favour of, each Resolution.

Corporate representatives

A body corporate may appoint an individual as its representative to exercise any of the powers the body may exercise at meetings of a company's members. The appointment may be a standing one. Unless the appointment states otherwise, the representative may exercise all of the powers that the appointing body could exercise at a meeting or in voting on a resolution.

The representative must, prior to the Meeting, provide evidence of his or her appointment, to the Company Secretary by email at ian.hobson@novatti.com by no later than 11.00am (AEST) on 24 November 2020, the day prior to the Meeting, noting whether the representative intends to attend the Meeting physically or virtually including any authority under which the appointment is signed, unless it has previously been given to the Company. EXPLANATORY STATEMENT

1. Introduction

This Explanatory Statement has been prepared for the information of Shareholders in connection with the business to be conducted at the Meeting to be held at 11.30am (AEDT) on Wednesday, 25 November 2020 at Level 3, 461 Bourke Street, Melbourne VIC 3000.

This Explanatory Statement should be read in conjunction with and forms part of the accompanying Notice. The purpose of this Explanatory Statement is to provide information to Shareholders in deciding whether or not to pass the Resolutions in the Notice.

2. Annual Report

There is no requirement for Shareholders to approve the Annual Report. Shareholders will be offered the following opportunities:

- (a) discuss the Annual Report which is online at <https://www.novattigroup.com/annualandhalfyearlyreports> and click on the direct link;
- (b) ask questions or make comment on the management of the Company;
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about:

- (a) the preparation and the content of the Auditor's Report; and
- (b) the conduct of the audit;
- (c) accounting policies by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than 5 business days before the Meeting to the Company Secretary at the Company's registered office.

3. Resolution 1 - Remuneration Report

Section 250R(2) of the Corporations Act provides that the Company is required to put the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and reports the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

Section 250R(3) of the Corporations Act provides that Resolution 1 is advisory only and does not bind the Directors of itself, and a failure of Shareholders to pass Resolution 1 will not require the Directors to alter any of the arrangements in the Remuneration Report.

However, sections 250U and 250Y of the Corporations Act gives Shareholders the opportunity to remove the Board if the Remuneration Report receives a 'no' vote of 25% or more at two consecutive annual general meetings (**Two Strikes Rule**).

Under the Two Strikes Rule, where a resolution on the Remuneration Report receives a 'no' vote of 25% or more at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

In summary, if the Remuneration Report receives a 'no' vote of 25% or more at this Meeting, Shareholders should be aware that if there is a 'no' vote of 25% or more at the next annual general meeting the consequences are that it may result in the re-election of the Board.

The Chairman will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

The Chairman intends to exercise all undirected proxies in favour of Resolution 1. If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 1, by signing and returning the Proxy Form, the Shareholder is considered to have provided the Chairman with an express authorization for the Chairman to vote the proxy in accordance with the Chairman's intention.

4. Resolution 2 - Re-election of Director – Qi Yang (Steven) Zhou

Clause 6.3 of the Constitution requires that a Director (excluding the managing Director) must not hold office (without re-election) past the third annual general meeting following the Director's appointment or three years, whichever is longer.

At each annual general meeting, where the Company has three or more Directors, one-third of the Directors (rounded down to the nearest whole number) must retire (except for the managing Director).

A Director who retires under clause 6.3 of the Constitution is eligible for re-election.

The Company currently has five Directors (including one managing Director).

Qi Yang (Steven) Zhou, a Director since 12 October 2017 and re-elected on 27 November 2017, retires and seeks re-election. His details are set out in the Annual Report.

The Board unanimously supports the re-election of Qi Yang Zhou.

5. Resolution 3 - Approval of 10% Placement Capacity

5.1 General

Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital at the time of the issue over a period up to 12 months after the annual general meeting (**10% Placement Capacity**).

The Company is an Eligible Entity.

If Shareholders approve Resolution 3, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (as set out in Section 5.2 below). If Shareholders don't approve Resolution 3, the Company will be unable to issue Equity Securities under the 10% Placement Capacity and will therefore require separate shareholder approval or be limited to the 15% placement capacity under Listing Rule 7.1.

The effect of Resolution 3 will be to allow the Directors to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue at the time of the issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing.

If and when the Company does utilise the 10% Placement Capacity within the relevant period, assuming Resolution 3 is passed, the Company will be required to give ASX details of who the allottees are and how many Equity Securities they each received. In addition, the Company will be required to release by way of ASX announcement the information set out in Listing Rule 3.10.5A, namely:

- (a) details about the dilution to the existing Shareholders caused by the issue of Equity Securities under the 10% Placement Capacity;
- (b) an explanation why a pro rata issue or other type of issue allowing existing shareholders to participate was not adopted instead of or as well as using the 10% Placement Capacity;
- (c) details about any underwriting and underwriting fees paid, and
- (d) details about any other fees or costs incurred in connection with the issue of Equity Securities under the 10% Placement Capacity.

The Directors believe that Resolution 3 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution. The Chairman intends to vote all available proxies in favour of Resolution 3.

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

5.2 Formula for calculating 10% Placement facility

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of Shares on issue at the commencement of the relevant period,
 - i. plus the number of Shares issued in the relevant period under an exception in ASX Listing Rule 7.2 other than exception 9, 16 or 17;
 - ii. plus the number of Shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - a. the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - b. the issue of, or agreement to issue, the +convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
 - iii. plus the number of Shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - a. the agreement was entered into before the commencement of the relevant period; or
 - b. the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,

- iv. plus the number of any other Shares issued in the relevant period with approval under Listing Rule 7.1 or Listing Rule 7.4,

Note: This may include fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 17 where the issue is subsequently approved under rule 7.1.

- v. plus the number of partly paid ordinary securities that became fully paid in the relevant period,
- vi. less the number of fully paid ordinary securities cancelled in the relevant period;

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been approved by the holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

5.3 ASX Listing Rules 7.1 and 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 5.2(c) above).

Minimum Issue Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- i. the date on which the price at which the Equity Securities are to be issued is agreed; or
- ii. if the Equity Securities are not issued within 10 ASX trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

10% Placement Capacity Period

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- i. 12 months after the date of this Meeting;
- ii. the time and date of the entity's next annual general meeting; and
- iii. the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- i. The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 trading days immediately before:
 - a. the date on which the price at which the Equity Securities are to be issued is agreed; or
 - b. if the Equity Securities are not issued within ten trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- ii. If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
 - a. the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - b. the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.140 50% decrease in Issue Price	\$0.280 Current Issue Price	\$0.420 50% increase in Issue Price
227,085,499 (Current)	Shares issued	22,708,550 Shares	22,708,550 Shares	22,708,550 Shares
	Funds raised	\$3,179,197	\$6,358,394	\$9,537,591
340,628,249 (50% increase)	Shares issued	34,062,825 Shares	34,062,825 Shares	34,062,825 Shares
	Funds raised	\$4,768,795	\$9,537,591	\$14,306,386
454,170,998 (100% increase)	Shares issued	45,417,100 Shares	45,417,100 Shares	45,417,100 Shares
	Funds raised	\$6,358,394	\$12,716,788	\$19,075,182

*The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. The current shares on issue are the Shares on issue as at 20 October 2020.
2. The issue price set out above is the closing price of the Shares on ASX on 20 October 2020.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
5. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.

Shareholders should note that there is a risk that:

- (i) the market price for Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(a) Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for cash consideration only in which case the Company intends to use funds raised to further the Company's application for business expansion, a restricted banking licence and working capital.

(b) Allocation policy under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(c) Previous Approval under ASX Listing Rule 7.1A

The Company previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 25 November 2019. In the 12 months preceding the date of the 2020 Annual General Meeting, the Company issued a total of 18,500,000 Equity Securities pursuant to Listing Rule 7.1A, representing approximately 11% of the total number of Equity Securities on issue at 25 November 2019.

The Equity Securities issued in the preceding 12 month period meeting pursuant to ASX Listing Rule 7.1A was comprise those issues as are set out in Schedule 2.

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

6. Resolution 4 – Proposed grant of Options to Director

6.1 General

Resolution 4 proposes the issue of Incentive Options to Mr Peter Cook, Managing Director of the Company.

The purpose of the issue is to align the interests of Mr Cook with those of the Company and its shareholders. The Board believes that the future success of the Company will depend in large measure on the skills and motivation of the people engaged in and overseeing the management of the Company's operations. It is therefore important that the Company is able to attract and retain people of the highest calibre.

The Board considers that the most appropriate means of achieving this is to provide executive Directors with an opportunity to participate in the Company's future growth and give them an incentive to contribute to that growth.

The issue of options as part of the remuneration packages of company directors is a well-established practice of micro-cap publicly listed companies and, in the case of the Company, has the benefit of conserving cash whilst properly rewarding the recipient.

In determining the number of Incentive Options to be issued and their terms of grant, consideration was given to the relevant experience and role of Mr Cook, his overall remuneration terms, and the recent market price of the Shares.

6.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Incentive Options constitutes giving a financial benefit and Mr Peter Cook is a related party of the Company by virtue of being a Director.

The Directors (other than Peter Cook who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Resolutions because the Incentive Options are to be issued as part of the Company's remuneration package for the Managing Director, and the remuneration package is reasonable in the circumstances of the Company and the individual concerned. Accordingly, the "reasonable remuneration" exception in section 211 of the Corporations Act applies.

6.3 ASX Listing Rule 10.11

Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in Listing Rule 10.12 applies.

As the Placement involves the issue of Incentive Options to a related party of the Company, Shareholder approval pursuant to Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out in Listing Rule 10.12 do not apply in the current circumstances.

- (c) The Options will expire at 5.00pm (AEDT) on 30 November 2024 (**Expiry Date**).
- (d) The Options are classified according to specific milestones (as set out in paragraph (e)) and are not exercisable unless and until the relevant milestone has been achieved or a Change of Control Event (as defined in paragraph (f)) has occurred within the prescribed timeframe (**Vesting**). If Vesting of the relevant Options has not occurred within the prescribed timeframe, the relevant number of Options shall automatically lapse.
- (e) The milestones and timeframes for achievement are as follows.

Milestone 1: The 20-day VWAP achieving a price greater than or equal to 130% of the November 2020 20-day VWAP at any time during the period commencing 1 December 2020 and ending 30 November 2021 (inclusive).

 - (ii) the announcement by the Company that shareholders of the Company have at a Court convened meeting of shareholders voted in favour, by the necessary majority, of a proposed scheme of arrangement under which all Shares are to be either cancelled or transferred to a third party and the Court, by order, approves the proposed scheme of arrangement.
- (g) Options are exercisable at any time from their date of Vesting up until the Expiry Date by notice in writing to the Company accompanied by payment of the Exercise Price.
- (h) If an Optionholder or the person who nominated the Optionholder to receive the Options, as the case may be, ceases to be employed or engaged by the Company (or a member of the Company's corporate group) or, if a director of the Company (**Director**), ceases to be a Director then, unless the Company's board of Directors determines otherwise, the Optionholder automatically forfeits their interest in any Options that have not yet been exercised and all such Options shall automatically lapse.
- (i) (i) Notwithstanding the requirement for payment of the Exercise Price in accordance with paragraph (g), in order to exercise some or all of the Options, the holder may, subject to sub-paragraph (i)(iv), elect to pay the Exercise Price by using the cashless exercise facility provided for under this paragraph (i) (**Cashless Exercise Facility**).

- (ii) The Cashless Exercise Facility entitles the holder to set-off the Exercise Price against the number of Shares which the holder is entitled to receive upon exercise of the holder's Options. By using the Cashless Exercise Facility, the holder will receive Shares to the value of the surplus after the Exercise Price has been set-off.
- (iii) If the holder elects to use the Cashless Exercise Facility, the holder will only be issued that number of Shares (rounded down to the nearest whole number) as are equal in value to the difference between the total Exercise Price otherwise payable for the Options on the Options being exercised and the then market value of the Shares at the time of exercise (determined as the volume weighted average prices at which Shares were traded on the ASX over the five trading day period immediately preceding the exercise date) calculated in accordance with the following formula:

$$S = \frac{O \times (MSP - EP)}{MSP}$$

Where:

O = Number of Options.

MSP = Market value of the Shares (calculated using the volume weighted average prices at which Shares were traded on the ASX over the five trading day period immediately preceding the exercise date).

EP = Option exercise price.

- (iv) If the difference between the total Exercise Price otherwise payable for the Options on the Options being exercised and the then market value of the Shares at the time of exercise (calculated in accordance with subparagraph (i)(iii)) is zero or negative, then the holder will not be entitled to use the Cashless Exercise Facility.
- (j) The Options are non transferable.
- (k) All Shares issued upon exercise of the Options will rank *pari passu* in all respects with the then existing Shares. The Company will apply for Official Quotation by the ASX of all Shares issued upon exercise of the Options.
- (l) There are no participating rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to the Company's shareholders during the currency of the Options. However, if from time to time on or prior to the Expiry Date the Company makes an issue of new Shares to its shareholders, the Company will if practicable given the timetable for the issue send a notice to each holder of Options as soon as reasonably practicable before the record date referable to that issue to give holders an opportunity to exercise their Options prior to the date for determining entitlements to participate in any such issue.
- (m) If from time to time on or prior to the Expiry Date the Company makes an issue of Shares to its shareholders by way of capitalisation of profits or reserves (a **Bonus Issue**), then upon exercise of their Options, Optionholders will be entitled to have issued to them (in addition to the Shares which would otherwise be issued to them upon such exercise) the number of Shares of the class which would have been issued to them under that Bonus Issue (**Bonus Shares**) if on the record date for the Bonus Issue they have been registered as holder, if, immediately prior to that date, they had fully exercised their Options and the Shares the subject of such exercise had been duly allotted and issued to them. The Bonus Shares will be paid up by the Company out of profits or reserves (as the case may be) in the same manner as was applied in relation to the Bonus Issue and upon issue will rank *pari passu* in all respects with the other Shares allotted upon exercise of the Options.
- (n) There is no right to a change in the exercise price of the Options or to the number of Shares over which the Options are exercisable in the event of a new issue of capital (other than a Bonus Issue) during the currency of the Options.
- (o) In the event of any reorganisation of the issued capital of the Company on or prior to the Expiry Date, the rights of an Optionholder will be changed to the extent necessary to comply with the applicable ASX Listing Rules in force at the time of the reorganisation.
